Directions to Uniper Energy Storage GmbH

Arrival by car

To use [Google-Maps](#) to get to us, please click [here](#).

From the south

From the A46 drive direction Südring - further on the B1 direction Düsseldorf Medienhafen and then turn on Plockstraße.

From the north

B1 on the Rhine along the Rheinterrassen, through the Rheinufertunnel direction Medienhafen and then turn on Plockstraße.

Parking

Access to the Float garage:

The driveway is located in Franziusstraße in front of buildings B1 / B2. The underground car park is public. The parking spaces reserved for Uniper can be found on the levels UG2 and UG3 and are marked accordingly.

There are no separate visitor parking spaces available. Access to the building for visitors is only possible through building A2.

Visitors take a parking ticket at the entrance, choose a free parking space and can have the ticket validated at the reception upon leaving the building.
